

# 2009 NETA DIGITAL ART AWARDS

Congratulations to Destyni Dees for having his animation, "Animator," selected on February 10, 2009 as a winning entry by the Nebraska Educational Technology Association (NETA). His work was submitted in a category called, Highlight Your Talents (telling who you are, or what makes you special, through a digital creation of your choice). Destyni's animation will receive recognition in the upcoming NETA Newsletter and the entry will be featured during the 2009 Conference. Destyni is enrolled in The Graphic Design Academy Program at Benson. His project was chosen from entries all over the State of Nebraska.
