

# 2010 NETA DIGITAL ART AWARDS

Two Benson students received recognition for their computer-generated projects from the Nebraska Educational Technology Association. DeVante Jones received a 3rd place award in the Graphic Imagery category for his "Color Me Cool" self-portrait done in Photoshop. Helen Lee placed in the Express Yourself category of the Open Class competition for her rotoscoped animation called "Flight" done in Adobe Flash.

These students as well as their teacher, Mrs. Astra Patterson, were recognized at the 2010 NETA Convention in April.
